Index to Volume 17 (1997)

Authors and titles

Advocates in East Germany after 1949 (Bohlander), 345–54
Anthropogenic factors and forest management in Sri Lanka (Wickramasinghe), 87–110
Aspects of German unification (Blacksell and Smith), 255–6

Binns, T., Hill, T. and Nel, E., Learning from the people: participatory rural appraisal, geography and rural development in the 'new' South Africa, 1–9
Blacksell, M. and Smith, F. M., Aspects of German unification, 255–6
Blacksell, M., Partition, *die Wende* and German unification, 257–65
Bohlander, M., Advocates in East Germany after 1949, 345–54
Born, K. M., The return of confiscated land and property in the new Länder, 371–84

Channel planform and land cover changes on a mined river floodplain: Amite river, Louisiana, USA (Mossa and McLean), 43–54
Characteristics and use of shallow wells in a stream fadama: a case study in northern Nigeria (Tarhule and Woo), 29–42
Coles, T., Trading places: the evolution of the retail sector in the new German *Länder*, 315–33
Contested geographical imaginings of reunification (Smith), 355–69

Economic transformation, locality and policy in eastern Germany (Herrschel), 267–81
Evans, R., Soil erosion in the UK initiated by grazing animals: a need for a national survey, 127–41

Flowerdew, R., *see* Parfitt, J. P.
Forestry effects on bedload yields in mountain streams (Stott), 55–78

The geography of educational disadvantage in Glasgow (Pacione), 169–92
Gibbs, D. and Healey, M., Industrial geography and the environment, 193–201
GIS versus the community: siting power in southern West Virginia (Towers), 111–25

Healey. M., *see* Gibbs, D.
Herrschel, T., Economic transformation, locality and policy in eastern Germany, 267–81
Hill, T., *see* Binns, T.
Hingorani, S., Territorial justice in unified Germany, 335–43
Hörschelmann, K., Watching the East: constructions of 'otherness' in TV representations of East Germany, 385–96

Industrial geography and the environment (Gibbs and Healey), 193–201
Interregional coal flows in China and the problem of transport bottlenecks: upholding the rail option (Todd and Fengjun), 215–30

Jones, P. N. and Wild, T., Regional and local variations in the emerging economic landscape of the new German *Länder*, 283–99

Lambin, E. F., *see* Mertens, B.
Learning from the people: participatory rural appraisal, geography and rural development in the 'new' South Africa (Binns *et al.*), 1–9

McLean, M., *see* Mossa, J.
Mertens, B. and Lambin, E. F., Spatial modelling of deforestation in southern Cameroon: spatial disaggregation of diverse deforestation processes, 143–62
Methodological problems in the generation of household waste statistics: an analysis of the United Kingdom's National Household Waste Analysis Programme (Parfitt and Flowerdew), 231–44

Mossa, J. and McLean, M., Channel planform and land cover changes on a mined river floodplain: Amite river, Louisiana, USA, 43–54

Nel, E., *see* Binns, T.

Pacione, M., The geography of educational disadvantage in Glasgow, 169–92
Parfitt, J. P. and Flowerdew, R., Methodological problems in the generation of household waste statistics: an analysis of the United Kingdom's National Household Waste Analysis Programme, 231–44
Partition, *die Wende* and German unification (Blacksell), 257–65

Reconstruction of bankfull width: a comparison of surveyed cross-sections and aerial photography (Reinfelds), 203–13
Regional and local variations in the emerging economic landscape of the new German *Länder* (Jones and Wild), 283–99
Reimann, B., The transition from people's property to private property, 301–14
Reinfelds, I., Reconstruction of bankfull width: a comparison of surveyed cross-sections and aerial photography, 203–13
The return of confiscated land and property in the new *Länder* (Born), 371–84

Smith, F. M., Contested geographical imaginings of reunification, 355–69; *see also* Blacksell, M.
Soil erosion in the UK initiated by grazing animals: a need for a national survey (Evans), 127–41
Spatial modelling of deforestation in southern Cameroon: spatial disaggregation of diverse deforestation processes (Mertens and Lambin), 143–62
Sporton, D., *see* Thomas, D. S. G.
Stott, T., Forestry effects on bedload yields in mountain streams, 55–78

Tarhule, A. and Woo, M.-k., Characteristics and use of shallow wells in a stream fadama: a case study in northern Nigeria, 29–42
Territorial justice in unified Germany (Hingorani), 335–43
Thomas, D. S. G. and Sporton, D., Understanding the dynamics of social and environmental variability: the impact of structural land use change on the environment and peoples of the Kalahari, Botswana, 11–27
Todd, D. and Fengjun, J., Interregional coal flows in China and the problem of transport bottlenecks: upholding the rail option, 215–30
Towers, G., GIS versus the community: siting power in southern West Virginia, 111–25
Trading places: the evolution of the retail sector in the new German *Länder* (Coles), 315–33
The transition from people's property to private property (Reimann), 301–14

Understanding the dynamics of social and environmental variability: the impact of structural land use change on the environment and peoples of the Kalahari, Botswana (Thomas and Sporton), 11–27

Watching the East: constructions of 'otherness' in TV representations of East Germany (Hörschelmann), 385–96
Wickramasinghe, A., Anthropogenic factors and forest management in Sri Lanka, 87–110
Wild, T., *see* Jones, P. N.
Woo, M.-k., *see* Tarhule, A.

Books reviewed

Abbott, J., *Sharing the city* (Alan Gilbert), 82–3
Arnell, N., *Global warming, river flows and water resources* (Jill C. Labadz), 248–9
